

RIYA

UX / UI DESIGNER

LitQ Match: 95%

we strongly recommend you take this forward.

Is confident, assertive and not afraid to share opinions. Enjoys challenges and faces difficult situations head on and makes sure the goal set is met proactively. Reserved and reflective while getting things done. Rational and can look at issues and situations in a pragmatic manner. Is courteous, kind and willing to share and take on responsibilities. Is organised and efficient in implementing plans. Is persistent, and follow-through to ensure goals are met. Likely to enjoy looking at different and unique ways to solve issues and challenges that appear while working towards end outcomes. Can look beyond the status quo to find alternative solutions.

COMPETENCIES

ROLE CULTURE

● STRENGTH ● IMPROVEMENT AREA

Is perfectly suited to the role culture benchmarked; equally values working in a dynamic environment where there is freedom to achieve results. Is motivated by leaders who are visionary in nature, and encourage others to be enterprising and innovative while getting things done.

WORK INTELLIGENCE & LEARNING ABILITY

Well suited for this role and the benchmark set. Will be capable of taking on complex tasks, activities and processes as benchmarked. Is likely to get accustomed quickly to novel situations and requirements as required for the role.

RIYA HAS 4 OUT OF THE 7 SKILLS REQUIRED FOR THIS ROLE
